UNDERSTANDING YOUR ROLE AS 4-H CLUB TREASURER

NOTE: You must work with a 4-H Club Leader in this role and follow all guidelines in the *4-H Charter Policy* and the *Treasuries And Fundraising Of 4-H Clubs And 4-H Affiliated Groups Policy*.

Purpose of the Club Treasury

A 4-H club treasury is both a privilege and a responsibility. Your club charter with National 4-H Headquarters (USDA) provides the privilege of collecting dues or holding fundraisers to support your club activities. Because of this special status, your 4-H club has the responsibility to follow proper procedures, keep written records of all funds, and file proper documents annually with the Internal Revenue Service (IRS). Your 4-H Club Leader must make sure this is done. As the Club Treasurer, you should work with your leader to keep an accurate record of your treasury.

Role of Treasurer

While the adult leaders are held accountable for all funds collected and expended, they should guide, supervise, and direct YOU in the responsibility of the office of treasurer.

The 4-H Club Treasurer should, with the assistance of an adult leader:

- Collect funds (such as dues, fundraising).
- Maintain club bank account. This includes making monthly deposits of any cash or checks on hand and monthly reconciliation of any bank account statements.
- Keep written records of the treasury and submit a detailed report (including any income and expenses) at each meeting.

The *New Jersey 4-H Club Treasurer's Record Book* should be used as an official record of the 4-H club treasury.

Club Bank Accounts

Any money owned by the club should be kept in a bank account, established under the club name and its EIN (Employee Identification Number). At least two signatures are required on the account. Ideally, it should be the club treasurer and a club leader. If the bank does not accept a signature of a minor, the second signature should be that of co-leader or parent. Under no circumstance should the two signatures be from the same family.

Annual Review of Treasury

The records of the treasury are to be kept for one year at a time, from January to December. Each club must submit a completed *Annual Financial Review* to the County 4-H Office by March 1 of each year. The treasury records and the bank account records must

be 'reviewed' by a committee made up of at least two individuals NOT affiliated with the club.

Why raise money? A 4-H club should not raise money just for the sake of raising money. You need to have a reason! At the beginning of the 4-H year, the club should develop a financial plan. The club members should talk about which activities will need funds and how the funds should be raised. All club members should vote to approve the plan. After the decision is made, the *4-H Club Financial Plan Form* should be completed and submitted to the County 4-H Office.

Club Dues: No membership fees are required to join 4-H. However, some clubs may decide to collect dues from members to cover the cost of supplies or activities. Other clubs may decide to charge fees for a special activity. Any fees charged for 4-H programs or activities should only be used to cover the cost of expenses for that program!

Steps in planning and conducting a fundraising

Use the *4-H Fundraising Worksheet* and the *4-H Club Fundraising Proposal* to plan your club's fundraiser. Submit your club's proposal to the County 4-H Office prior to fundraising event.

Tax Liability

4-H Clubs are required to file an Electronic Notice Form 990-N (ePostcard) with the IRS regardless if earnings are \$0 to \$25,000. Groups grossing more than \$25,000 are required to file Form 990. This annual electronic filing notice is the responsibility of the 4-H club leader and is due to the IRS by May 15 of each year. It is strongly encouraged that County 4-H faculty/staff remind and assist 4-H groups in filing the 990 or the 990-N. Failure to comply with this requirement is unlawful and can result in losing the 4-H Club Charter.

If Your Club Disbands

If your club disbands, the leader must immediately notify the county 4-H staff. All assets shall be assigned to the county 4-H program through the appropriate county 4-H advisory group, designated by the club and approved by county 4-H staff. Under no circumstances are 4-H funds or property transferred, divided, or distributed among individual members, parents, or adult leaders. This should be appropriately described in the club by-laws. All property of the club should be included in a written inventory and kept with the treasurer's permanent written records.

4-H CLUB MEMBER'S DUES RECORD

4-H Member's Name	Month											Total Dues
Total Dues Received for the Month												

Record the "Total Dues Received for the Month" as monthly income on that month's "4-H Club Monthly Financial Report" page in this record book.
